To the Board of Directors
Cabot's Point Cluster Association

We have compiled the accompanying balance sheet (cash basis) of Cabot's Point Cluster Association, for the year ended March 31, 2013, and the related statement of revenues, expenses and changes in owner's equity (cash basis) - actual compared to budget for the year then ended in accordance with Statements of Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. All of the information included in the financial statements is the representation of the Board of Directors of the Cabot's Point Cluster Association.

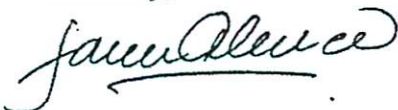

A review consists principally of inquiries of the Association personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly we do express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with generally accepted accounting principles.

The accompanying annual budget of Cabot's Point Cluster Association, for the year ended March 31, 2013 has not been compiled or examined by us, and accordingly, we do not express an opinion or any other form of assurance on it.

Thank you for the opportunity to be of service.

Sincerely,

Faheem Ahmed
